# Women in Engineering

*invites you for*

# Friday Sippas

Networking is an art.  It takes practise to develop the knack, to hone the skill and perfect the technique of effective networking.

Newcastle's Women in Engineering group would like to give YOU the opportunity to master this important attribute through regular, informal gatherings.

***'Friday Sippas'*** is the ideal place to network with fellow engineers as well as like-minded professionals from Women in Infrastructure.

This is a great opportunity to meet, mingle and exchange ideas. All welcome to attend - we hope to see you there.

*Drinks & refreshments at attendees own care.*
