## YEA Representative Nomination Form

This is a nomination form to apply for the position of YEA Representative to an Engineers Australia Group. Various Colleges and Groups spanning a number of engineering disciplines and areas exist within Engineers Australia. YEANC's objective is to have a young engineer representing the interests of YEA within each Engineers Australia College and Special Interest Group.

To satisfy the criteria to become a YEA Representative, nominees must:

- Hold a current Engineers Australia membership
- Qualify as a Young Engineer (*ie.* under 35 years of age, or within 4 years of graduation)
- Participate in the regular National Group meetings
- Provide written feedback to YEA after each meeting (standard template will be provided)
