

**ENGINEERS  
AUSTRALIA**

# Room Hire

## Queensland

### Serving our members and the engineering profession in Queensland.

Located on the intersection of Adelaide and Wharf Street near the heart of Brisbane city, the Engineers Australia Queensland office hosts cutting edge technological infrastructure and facilities infused with contemporary design.

In addition to convenient access to public transport facilities with Central Railway Station and CityCat terminals located just 200 metres away from the building's main entrance and a bus stop immediately at the front, 340 Adelaide Street provides on-site secure basement car parking over three levels. [Click here](#) for pricing.

The home of Engineers Australia Queensland features a new and improved look that's suited to your needs including a twin-use auditorium, booths, kitchen and pre-functions area, a boardroom and a set of meeting rooms that can be opened into a single large meeting room.

The building includes hi-speed wifi throughout with a number of the rooms kitted with video conferencing facilities.

## Which room is right for you?

Our large twin-use auditorium combines functionality with impeccable corporate service and state-of-the-art audio visual capabilities. If your event exceeds 75 guests, we can open up the space to combine both Auditoriums A and B into one enormous corporate venue.

Together Auditoriums A & B have three projectors, three motorized projection screens, two video conferencing overhead cameras, microphones, lecterns and a roaming microphone.

Auditorium A	75	Video Conference	
Auditorium B	75		
Auditorium A & B	150	Video Conference	

Boardroom	18	Video Conference	Teleconference
Meeting Room A	8	Video Conference	Teleconference
Meeting Room B	8		
Meeting Rooms A & B	16	Video Conference	Teleconference

Maximise the success of your next corporate meeting by using a dedicated Engineers Australia Queensland meeting room or boardroom. Our rooms have the ability to transform into a classroom style training session or effective boardroom discussion space.

**Each booking includes complimentary tea, coffee and water facilities along with access to wifi.**
