Introducing the EngMentor Scheme to Students

Newcastle

What is the purpose of the EngMentor Scheme?

The EngMentor scheme is intended to give Engineering students an idea of what the actual Engineering workplace scene is like and provide students with a contact in industry who is a practising graduate Engineer and willing to assist them.

Which students may participate? How will they join the Scheme and what is expected of them?

The scheme is for engineering students at tertiary education institutions located in the Newcastle Division, and is principally centered on Newcastle University. To participate, you **MUST** be a student member of Engineers Australia. Membership is free – to join, go to [our website](#).

Registration can be completed on the reverse of this form. To assist in compatible student/mentor match-ups, students are required to indicate their areas of interest during sign up. Later you will be invited to the 'Meet Your Mentor' evening where you will hear more about how the scheme operates and meet your assigned mentor. The mentor is assigned for one year, but established relationships may continue on for many years. Students may sign up in more than one year.

Students from all years are welcome to register with students in 3rd & 4th year likely to gain most benefit.

Who will the Mentors be? What is expected of them?

The mentors will be professional Engineers. The role of the Mentor is to provide personal experience and insights which students may not otherwise gain. Mentors are not expected to provide assistance with assignments and other course work.

It is not a requirement for Mentors to provide you with vacation employment, but they may be able to guide you to areas that may be applicable to your specific interest. However, if the Mentor is able to assist in finding, or even providing, vacation experience then this is a bonus.

Students wishing to participate in the EngMentor Scheme

You are invited to complete a Student Registration Form (overleaf) and forward it to Jane Dennis at Engineers Australia Newcastle: jdennis@engineersaustralia.org.au
Registrations close Friday 3 April 2020.

Following your registration, you will receive an invitation to the '**Meet Your Mentor**' evening which will be held on the evening of Tuesday 5 May 2020 at University of Newcastle from 5.30pm sharp. (*Venue details to follow*). Please put the date in your diary right away & RSVP when you receive the invitation.

This scheme is conducted on an annual cycle with a publicity campaign followed by the "**Meet your Mentor**" evening in approximately May each year. Registrations received outside this period will be held over until the following next annual cycle.

Please register by **Friday 3 April 2020**

Name EA ID

Degree/Course Year Currently In

Address

Phone Email

Areas of Interest (Number 3 categories in order of preference)

Note: We do not have Mentors in every possible engineering discipline or combination, but will make our best effort to find someone who can mentor you.

<input type="checkbox"/> Chemical Engineering	<input type="checkbox"/> Mechanical Engineering
<input type="checkbox"/> Computer Engineering	<input type="checkbox"/> Mechatronics
<input type="checkbox"/> Electrical Engineering	<input type="checkbox"/> Mining
<input type="checkbox"/> Environmental Engineering	<input type="checkbox"/> Telecommunications
<input type="checkbox"/> Civil Engineering	<input type="checkbox"/> Structural Engineering
<input type="checkbox"/> Design	<input type="checkbox"/> Design
<input type="checkbox"/> Construction	<input type="checkbox"/> Construction

Other

If NOT University of Newcastle, which University/College are you attending?

Are you already participating in the Eng-Mentor Scheme?	<input type="checkbox"/> Yes	If Yes – do you wish to be assigned a different Mentor this year?	<input type="checkbox"/> Yes
	<input type="checkbox"/> No		<input type="checkbox"/> No

Additional Comments

I understand that Engineers Australia will be making specific efforts match me with a mentor and that it is my responsibility to advise Engineers Australia immediately if I no longer wish to participate.

The next contact you can expect to receive after sending in this form is an invitation to the **'Meet Your Mentor'** evening planned for Tuesday 5 May 2020 at University of Newcastle from 5.30pm sharp. (Venue details to follow).

You will have the choice to respond to the invitation by declining

OR

Saying you are able to attend the Meet Your Mentor event on Tuesday 5 May 2020

OR

Saying you are unable to attend the Meet Your Mentor event on Tuesday 5 May 2020 AND agree to be paired with an appropriate mentor & have his/her details forwarded to you.

Signed Date

Thank you for your participation. Completed forms should be returned to jdennis@engineersaustralia.org.au

Please note that this scheme is conducted on an annual cycle.

Registrations received outside this period will be held over until the following year.
