The Centre for Leadership and Management Sydney

Sponsorship for Young Engineers to attend
Fellows Luncheon – 27th May 2016,
Sofitel Hotel Wentworth

The Centre for Leadership and Management (CLM) was established in 2002 and its key purpose is to enhance professional opportunities for members of Engineers Australia by developing, recognising and promoting their ability to participate in and lead business, innovation and change.

CLM Sydney is offering a limited number of sponsorships for outstanding Young engineers (under 35 years) to attend the Engineers Australia Fellows Luncheon.

Essential Requirements
- Members of Engineers Australia Sydney Division
- An Australian Citizen or Permanent Resident
- Written confirmation of availability to attend the luncheon

Note: Undergraduate students will not be considered for the sponsorship

Applicants will be assessed based on the following criteria
- Demonstrated contribution to the engineering profession and to the community
- Demonstrated interest or involvement in engineering leadership
- Demonstrated interest in management or management skills

The successful candidate will attend this event for free. Their partners may be able to attend at cost (to be confirmed with the event coordinator). A guest speaker will present an interesting topic during the lunch. The following link contains the details of the past Fellows Luncheon’s, guest speakers and topics: https://www.engineersaustralia.org.au/sydney-division/fellows-luncheons

This event will be an opportunity to interact with Fellows of Engineers Australia to aid in your network building and learnings in relation to leadership and management. At the CLM table, there will be a variety of CLM Sydney Board members and Friends. We will invite Honorary Fellows to join us at the table. The CLM table is limited to 10 seats maximum.

Successful candidates will be notified by email on Monday the 23rd May 2016.

How do you apply?
Send a 2 page CV and a letter describing how you meet the three assessment criteria, along with your EA membership number and one referee with contact details to sydneycelm@engineersaustralia.org.au

Applicants must be a Young Engineer and must confirm that they meet the Essential Requirements.

Closing date for application – Friday the 20th May 2016
